WORK EXPERIENCE

[HTTPS://VLAD-BURTSEV.GITHUB.IO/ISATRADE/](https://vlad-burtsev.github.io/isatrade/)

- To create this website for a coffee company in Odessa, the following technologies and tools were used: React, react-router-dom, and Context, Sass, HTML. Additionally, a form was implemented that sends order data to a Telegram chat. The website is responsive and optimized for mobile devices.

[HTTPS://VLAD-BURTSEV.GITHUB.IO/ISPEAK/](https://vlad-burtsev.github.io/ispeak/)

- I have successfully designed and developed a sleek and responsive landing page for an online English school. Notably, I integrated a user-friendly form that securely sends data to Telegram for streamlined communication. Utilizing Sass, React.js, and HTML. Additionally, I employed Yarn for seamless dependency management. The website is fully optimized for mobile devices, guaranteeing an outstanding user experience.

[HTTPS://VLAD-BURTSEV.GITHUB.IO/OUTDOOR.GITHUB.IO/](https://vlad-burtsev.github.io/outdoor.github.io/)

- I have created a simple single-page website using HTML, CSS, and JavaScript. The website is fully responsive and optimized for mobile devices, ensuring a seamless user experience across different screen sizes. The design is clean and visually appealing, with attention to detail in the layout and aesthetics.

[HTTPS://VLAD-BURTSEV.GITHUB.IO/ORGANICFRUIT/](https://vlad-burtsev.github.io/organicfruit/)

- I have developed a visually captivating website with engaging animations using HTML, CSS, and JavaScript. The animations add a dynamic and interactive element, enhancing the user experience and making the website more engaging. By showcasing my skills in front-end development, this project demonstrates my ability to create eye-catching and interactive websites that captivate users.

COVER LETTER

I am writing to express my interest in the Junior Front End Developer. As a skilled developer with experience in HTML, adaptive and cross-browser layouts, Pixel Perfect layout, CSS, SASS, SCSS, animation, Bootstrap 5, JavaScript, React JS, Git, Webpack, Figma, and Photoshop, I am confident in my ability to contribute to your team.

In my previous work, I have designed and developed responsive websites using modern tools and frameworks. My attention to detail and focus on clean, valid code ensures that my projects meet high standards of quality and functionality. I also have experience collaborating with other developers and designers to ensure seamless integration and consistent branding across projects.

I am excited about the opportunity to bring my skills and experience to you. I am eager to work with a team of passionate developers and contribute to innovative projects that make a real impact.

Thank you for considering my application. I look forward to the opportunity to discuss my qualifications in more detail.
